Committee Updates

1. ICM training to focus on “Creative Ways of Collaborating in Times of Fiscal Restraint”.

Each agency is to be responsible for in-service on ICM to new employees.

Monthly ICM workshops to be offered through Student Services Learning Series at Kipp from 3:00 – 4:30 featuring different topics (e.g. note taking, building care plans, S.M.A.R.T. goals, etc.).

2. Suicide Prevention Committee - Alice, Duncan, Michelle, Brenda have not met yet.

3. Connect Parent Program is up and running. It runs for 1 hr for 10 weeks and provides food, care-giving, transportation.

Alyson King trained recently

Currently we are trying to train agency people on salaries as we can't pay people to run the program.

Alyson and Marie to co-facilitate a group at CHANCE Sto:lo.

4. TRY Committee's schedule conflicts with Clinical as it is also on the 2nd Tuesday at 1:30.

Over the summer there wasn't much happening; for a time period there was no chair.

James Morgan is now the chair; members include the RCMP, Xyolhemeylh, CYMH, Anne Davis, Reconnect Worker, Intake Team.

Discussion focuses on youth on the Fringe. Are in the process of trying to identify youth and are looking at circulating pictures with names attached to minutes. They are also trying to provide street names as well.

Population served includes any at risk or lost souls, including addictions, mental illness, crime-involved, etc.

The focus is on youth who are not living with their parents.

5. Grants/funding - Federal Government has money targeted to gang and drug prevention, as do a number of other organizations. Is there a way to tap into this?

Next Meeting Date: Tuesday, January 12, 2010
