Reading Buddies is a program that pairs high school students and adult volunteers with kids in Grades 1 to 4 who need extra help. Sign up begins in September, and we will continue matching up buddies until spring 2016.

No preparation is needed. Just spend one hour a week reading and playing games with a Little Buddy at Chilliwack Library or Yarrow Library.

## **REWARD!**

- Help a child with their reading
- Commit only 1 hour per week
- Students earn volunteer hours for graduation requirements!
