Sexual Health Workshop

This workshop provides an opportunity for parents, in a supportive setting, to explore some of their fears and anxieties and curiosities in a safe environment.

This is to begin the courageous conversation around ensuring that individuals being supported – are not only safe from sexual exploitation, but also have the correct support and information to embrace that part of who they are and how they interact in relationship with others.

Event Presented:

Sponsored by:

“Let’s Talk About Sexuality”

A safe casual
conversation about
Sexual Health
Awareness

Facilitated by
Hayley Nimmo
