

Let's talk about Marijuana...

a parent & youth event

This panel will feature parents and youth discussing critical issues as we enter into the age of legalized cannabis.

- ... **Is marijuana addictive?**
- ... **What's true and what's not about its medicinal effects?**
- ... **What sort of regulations should we put in place?**
- ... **Where should the profits go?**

These questions (and more!) will be answered by a panel of physicians and clinicians.
