

what is a community school?

A community school is an exciting approach to the integration of a local school with the neighbourhood that serves it. It provides a vehicle for the participation of all community residents in social, educational and recreational activities

Consent and Release of Liability: I consent to my child's participation in the program(s) named on this form. I am aware that there are risks associated with the participation including the risk of injury and I consent to my child's participation in spite of such risks. In the event that my child requires medical attention, I consent to my child being transported to the nearest medical centre, including by ambulance if necessary and accept that I am responsible for any costs of such services. I consent to my child walking to nearby activities as part of the program.
