

MISTAKEN GOALS OF BEHAVIOR

Saturday October 14th

9:00 AM—12:00 PM

Parents and educators often ask why children engage in challenging behaviours.

During this workshop participants will explore four goals of behaviour as described by Austrian Psychologist Rudolph Dreikurs and discuss helpful ways to respond and guide children in our care.

Workshop Objectives:

- Identify Rudolf Dreikur's 4 Mistaken Goals of Misbehaviour
- Apply these goals to the misbehaviour of children in our care
- Explore helpful ways to respond to misbehaviour as ECE Teachers
