Often preceded by neglect and abuse in childhood, sexual exploitation, trafficking and prostitution facilitates the abuse, rape, murder, suicide, and devaluing of girls and women, and is widespread in Canada. **BUT 85% to 95% of those in prostitution want out, but have no options for survival.** PEARL strives to change that because **we believe every girl and women is of priceless worth and has hope for an abundant future!**

PEARL Resource Centre, a first step drop- in ministry, offers hope, support and life renewal, for girls and women who are sexually exploited, trafficked, or in prostitution **in Chilliwack!**

We need your help:

- Help us fund the ongoing daily operations of **PEARL Resource Centre** in Chilliwack to change lives!
- Help us open **Life Renewal Woman's Academy** in 2018. This **second step program** will offer shelter and more structured life changing programing to vulnerable women struggling to gain living wage employment. A place to equip for success!

PEARL empowers girls and women who are sexually exploited, trafficked and in prostitution, through support, education and Jesus' love to embrace hope and renewal.
