## Big Brothers Big Sisters of the Fraser Valley

As Canada's leading child and youth mentoring charity, Big Brothers Big Sisters facilitates life changing relationships that inspire and empower children and youth to reach their potential, both as individuals and citizens.

Every donation of time or money starts something that leads to something BIG!

Children who are involved in a mentoring program are:

- **52% less likely to skip a day of school,**
- **63% more likely to obtain post-secondary education,**
- **17% are more likely to be employed, and earn \$315,000 more income over their life-time**

Mentoring helps break the cycle of poverty, violence, and substance abuse.

The **social return on investment for mentoring is 1:18**, for every \$1.00 invested in mentoring by Big Brothers Big Sisters there is a \$18.00 return to society. That number increases to a return of \$23.00 to society among economically disadvantaged groups.

In 2017, our annual charity golf tournament in Abbotsford raised funds that supported 19 community matches, or close to 4000 hours of community mentoring!

In 2018, our goal is to double that! We want to expand our programs to make sure that boys and girls don't have to wait for a Big Brother or Big Sister!

You can help us! Your golf registration and financial support will go directly to programs in the Fraser Valley!
