What Can be Viewed on Your Wi-Fi?

According to the BC Adolescent Health Survey 2018, 12% of youth with a phone used their device on their most recent school day to watch pornography. Find out more in this recent [release](#) from the **CYC's Primary Prevention Committee**.

Xolhemet Society's Housing Program

As of August 1st rooms in a house will be rent out to single women as well as women who have a child under two. It is communal living with their own rooms, ideally for women who are looking for programming and support (however, it is not mandatory). There will be optional groups and one-on-one counselling in the support office on site.

There is a list of house rules and regulations attached to the [application](#). Please complete and return the application form to to kristin.hall@wilmasth.org or admin@xolhemetsociety.org.
