1. Welcome and Land Acknowledgment 10 minutes
 - Wanda Smith, MCFD
2. Review and Approval of Agenda – Approved
3. Approval of December 6th, 2022 Meeting Minutes – Approved 5 minutes
4. Round Table Introductions 10 minutes
5. Important Monthly Days to Remember 5 minutes
 - Week of the 23rd is Family Literacy Week → <https://decoda.ca/get-involved/family-literacy-week/#:-:text=Each%20January%2C%20families%2C%20schools%2C.celebrated%20January%2022nd%20to%2029th>
 - January 15th, Black Excellence Month
 - January 22nd, Chinese New Year
 - January 23rd, National Pie Day
 - January 27th, International Holocaust Remembrance Day

6. Program Presentation: Youth Transitions 20 minutes
- Wanda Smith, MCFD – presentation attached [MCFD Youth Transition Presentation Jan 2023.pptx](#)
 - Update on CYSN Model: Early implementation sites in four communities to work on the new framework for the CYSN access of services. The rest of the province is on hold for right now to allow for more consultation with Indigenous communities before moving this system forward for the rest of the Province.
 - Supportive Housing Changes:
 - Expanding the services they offer to meet the growing needs in communities
 - Moving to expanded services for respite/relief for more families in the community
 - Emergency placement for when kids can't be at home and their families are being assessed
 - Increased Low Barrier Short Term Stabilization beds and Specialized Long Term beds
 - Youth and Young Adult Transitions
 - A four year process, 2020-2024 → started with thorough consultation with youth and young adults who were in MCFD care
 - Information brochures from Wanda: [Youth Transition roadmap infographic.pdf](#)

7. Connection Café – Breakout Rooms: 10 minutes
- *What's the biggest stumbling block your agency has in supporting your clients?*
- Break** _____ **10 minutes**
8. Subcommittee Reports – 5-10 minutes
- Primary Prevention – Temporarily Suspended
 - Early Years – Annette Williams, Chilliwack Learning Society
 - In December's meeting the committee watched the Human Early Learning Partnership Webinar: 20 Years of Data: EDI Wave 8
 - Socio-emotional learning needs are high
 - There are vulnerabilities and impacts in multiple intersecting areas, not a singular need.
 - Chilliwack is seeing more vulnerability in Language and Communication but has had improvement in socio-emotional results. This is different than results across the province.
 - The CHEQ (Childhood Experiences Questionnaire) data was delved into more, with discussion about how which data service providers have direct influence over. It was identified that support for families and events for children can dwindle in the summer. There's conversation about providing more summer programming/events which are low barrier.
 - Middle Years – Aileen Mathews, Chilliwack Society for Community Living
 - First meeting back post-Christmas break will be in the next couple of weeks. To learn more about the committee or to get an invitation to the next meeting please reach out to Aileen directly at aileen.mathews@cscl.org
 - Youth Matters – Tara Cummings, YMCA
 - Meet at 11am the 3rd Wednesday of the month, virtually.
 - Working on strategic planning and looking for more agencies representatives to join the table.
9. CYC Collaborative Partners Updates 5-10 minutes
- School District #33 – Brenda Point/Brenda Calendino

- No representation

10. CYC Updates

10 minutes

- CYC Annual Conversation 2023 Update
 - Thursday evening event planning with DPAC to host a parent and care giver focused event, in connection to our theme
 - Save the Date coming out next week, please share it with your network once released to help spread the word
 - Looking at having local leaders who focus on collaboration speak at the event, about their style, rational, and challenges/accomplishments
 - We will have an EDRD simulation incorporated into the event
 - The next meeting is Friday, January 13th at 11am via Zoom
- EDRD Sub-committee Idea
 - The CYC wants to ensure the EDRD simulation training can be maintain in our community and done in a sustainable way. Currently, Dr. Rob Lees has overseen the practicum students at the CYHC to facilitate the EDRD simulation 1-2x a year. With the change to Dr. Rob Lee's role, he is not able to provide the oversight of the students anymore and to ensure this can be more sustainable the CYC would like to see this be a shared approach for all CYC members.
 - The CYC would like to see the EDRD simulations be done with the CYC network, instead of for the CYC network.
 - The CYHC can continue to provide students to facilitate the simulations.
 - Talk about this further at our next monthly meeting – could Brandi and the CYHC share some information about what is needed to make this possible. Action: Brandi will bring information to our next meeting.
 - Is there a way to include the CHC?
